BRAINSTORMING: what is egoism?

Ethical egoism – People should act upon their own interests, because it's reasonable!

Ethical altruism – We have a duty to help others!

Try to prove or disprove both ideas.

IS LOVE EGOISTIC?

SOLIPSISM

There is only I. I can be sure only in Me. I know only what is in my own experience. I can not know anything outside of me (other minds). Others do not exist outside of my own mind. Others are only representations of my mind.

Gorgias – nothing really exists. If it exists I can't know anything about it. If I know anything about it, I can't transfer it to others.

ARE CHILDREN EGOISTS/SOLIPSISTS?

LAST MAN ON EARTH – IS HE A SOLIPSIST?

RELATION TO BUDISM – REALITY IS AN ILLUSION!

Objections to Solipsism –
